◎ ClearPlans

PRODUCT BRIEF
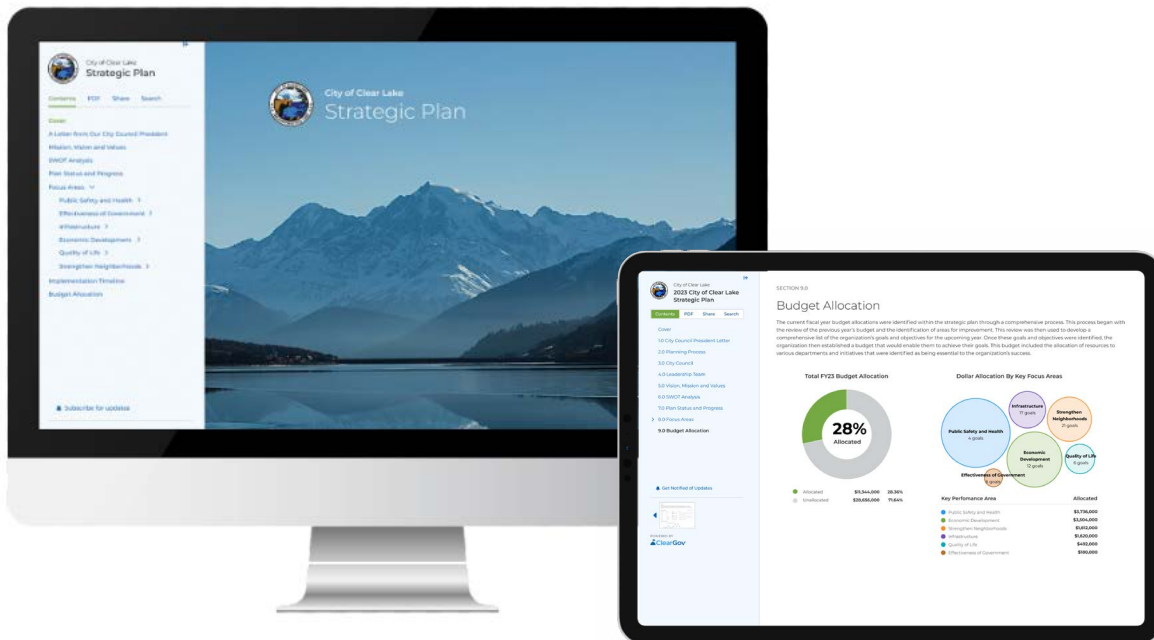

▲ClearGov® + ☁ SoftwareSolutions

ClearGov is proud to be a strategic partner for Software Solutions, Inc.

Let's face it, creating a plan requires a lot of work. The last thing we need is to struggle with the tools needed to build it, like Word, Excel, and PDF. It's time to modernize and bring our plans to life quickly and easily.

ClearPlans goes well beyond making it super easy to collaborate and embody plans. Almost as important as the initial plan is keeping it up to date – and ClearPlans provides capabilities to do so.

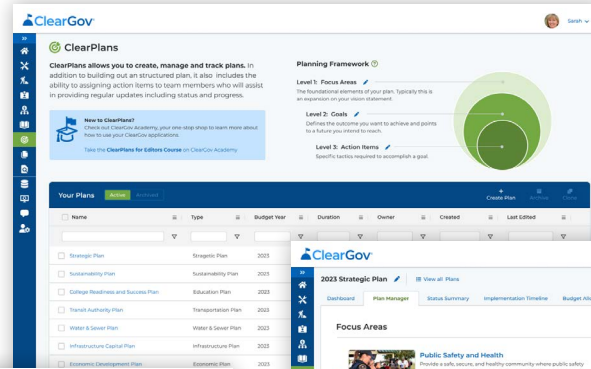

Key Features:

✓ **ClearPlan Dashboard** - Powerful visualizations and filters allow stakeholders to quickly assess the progress of all, some, or individual goals. Our dashboard also shows future action items.

✓ **Plan Manager** - Based on market best practices, our 3-level planning framework enables you to easily create and maintain clear, powerful plans.
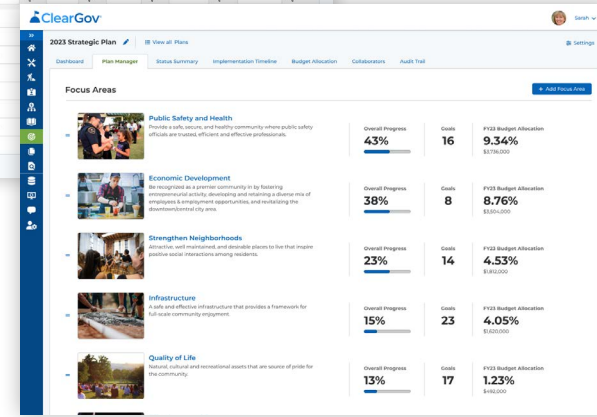

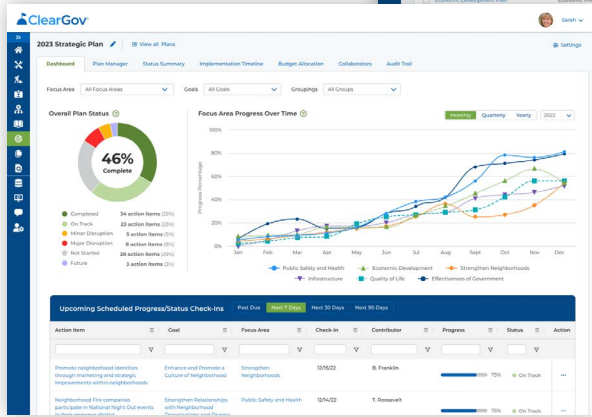

✓ **Flexible Collaboration** - Assign team members to one or more parts of your plan, establish update frequency and send reminders to contributors automatically.

✓ **Budget Allocation** - Connect your plan to specific funds to determine the impact, identify gaps, and communicate clearly with constituents..

✓ **Optimized Publication** - Our flexible publishing capabilities deliver professional-looking websites, complete with mobile & ADA optimizations, and PDF documents. Constituents can also request email alerts for any changes.
